PIVOT HR to Engage Talent

One of the biggest challenges facing companies today is finding and retaining talent. One of the key measurements of that is employee engagement. How can we keep our employees engaged and active to ensure not only our success, but theirs as well?

PIVOT HR to Engage Talent is a powerful Onboarding system that helps you:

- Create Welcoming Environment for New Hires
- Provide Guidance for Hiring Managers
- Faster Time to Contribution
- Better Employee Engagement and Retention

Our solution engages new hires even before they start to get them up to speed faster. It ensures compliance and streamlines the onboarding process.

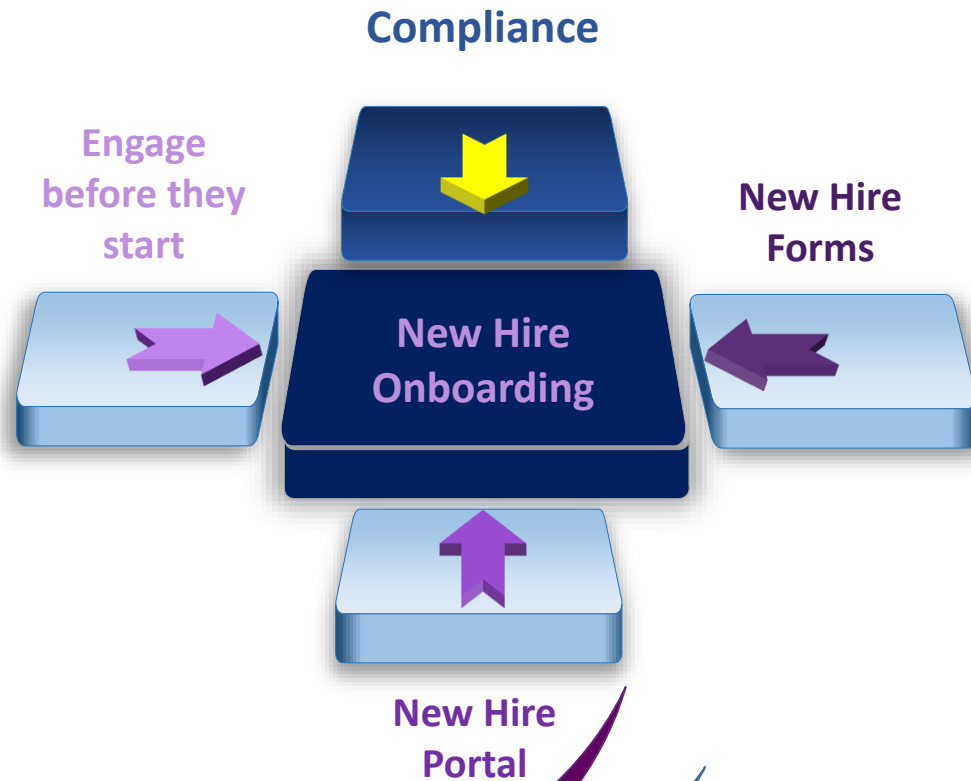

PIVOT HR Key Features

One of the biggest challenges faced by companies today is how to attract, manage, engage and retain talent. HR Strategies understand that. As a SAP Gold Partner with over 20 years of HR Consulting, we can help you achieve better business results by transforming your HR, just as we have helped thousands of others.
